

New York's Water Event

April 20 – 21, 2010

Saratoga Springs City Center/The Saratoga Hotel & Conference Center

Be a part of the NYSAWWA Experience!

Put your company in front of 800+ water quality professionals from across New York State when you exhibit at the New York Section AWWA's annual Water Event. Attendees represent all facets of the water community — operators, distributors, contractors, engineers, and government officials.

We'll provide you with the best possible opportunity to meet with current and potential customers. Morning coffee and lunch will be served in the Exhibit Hall and product demonstrations will be conducted there as well.
